Aaronsohn, Ran, "The Beginnings of Modern Jewish Agriculture in Palestine: 'Indigenous' Versus 'Imported,'" 438-53

Adams, Jane, *The Transformation of Rural Life: Southern Illinois, 1890-1990*, 628-9

Adelman, Jeremy, *Frontier Development: Land, Labor, and Capital on the Wheatlands of Argentina and Canada, 1890-1914*, 495-6

African American agribusiness entrepreneurs: and acreage reduction and conservation programs, participation in, 265-6; and catfish operations, 267; and contracting with processing/marketing industries, 265-6; future requirements for, 268, 270-1; and loss of black-owned land, 270; outside support for, 268-70; and rice operations, 266

African American farm cooperatives: failures of, 264-5; functions of, 264-5; need for, 264

African American farmers: and agribusiness (1945-70), 258-9; and *Brown v. Board of Education*, 259-60; and household technologies, 261; and migration to urban areas, 263; and 1965 Civil Rights Commission, 262-3; and post-WWII industrial movement in rural South, 259-60; and transportation, 261-2

Agrarian ideology, American: adaptability of, 241-2, 255-6; and Brannan plan debate, 244, 248-50, 253-6

Agribusiness: and John H. Davis, 343-7. *See also* African American agribusiness entrepreneurs; African American farm cooperatives; African American farmers; Agro-industry

Agricultural Act of 1948: Brannan's criticism of, 40; 1949 House Committee on Agriculture's study of, 42; provisions of, 29, 34; support for, 28-30, 34-6

Agricultural Act of 1949, 50

Agricultural Legislative Committee (California), 591

Agricultural machinery industry, British: between 1914 and 1939, 298-313; and changes in export market due to WWI, 298-301, 303, 308, 311-3; and competition from North America, 312-3

Agro-industry: and environmental change in Mexico, 395-412; labor demands of, 408; and monocultivation, 408; and negative effects on environment, 397, 410; and non-renewable fossil resources, 408; requirements of, 396, 407, 411; and usefulness of North American model in other regions, 406

Aiken, George D.: and Agricultural Act of 1948, 48

Alabama: and Old Rotation cotton field experiment station, study of, 350-66

Alberta: and influence of American Populism, 529-30; and Society of Equity, 533; and United Farmers of Alberta, 538-40

Almond industry, California: and Asian workers, 577-9; and contractors, 577-80, 582-6, 589; emergence of, 566; and George Washington Pierce, Jr., 563-91; government involvement in, 584; and harvesting techniques,

569; and harvest labor relations, 573-91; and industrialized agriculture, 564-5, 591; and marketing problems, 570; and Mexican workers, 588-90; orchardists' attitude toward, 568, 580, 590-1; organization of, 571-2; and processing, 569; and Sikh workers, 581-6, 588-9; and WWI, 584-8, 590-1. *See also* Orchard industry, California

American Farm Bureau Federation: and commitment to flexible support principle, 34, 37-8, 44; and failure of Brannan plan, 51, 53; and opposition to Brannan plan, 248-50, 253; and opposition to National Farmers Union over fixed price support, 46; and Woolley Plan, 33-4

American Farm Economic Association: and position on government agricultural support, 34-5. *See also* Truman administration

American Federation of Labor: and California orchard industry, 590

Anderson Act. *See* Agricultural Act of 1949

Australia: introduction of sugar cane to, 415. *See also* Queensland, Australia

Baillargeon, Morgan, "Native Cowboys on the Canadian Plains: A Photo Essay," 547-62

Bancroft, Joseph: and investigation of "rust" disease in Queensland, 424-6; and remedy for "rust" disease, 431-2. *See also* Red rot disease

Benson, Ezra Taft: and John H. Davis, 340-2; and reorganization of USDA, 340-1

Bidwell, Percy, *History of Agriculture in the Northern United States, 1620-1820*, 456, 472, 477

Biotechnology: and imperialism in Mauritius, 163, 167, 176; and pathology, 94

Bolton, Charles C., *Poor Whites of the Antebellum South: Tenants and Laborers in Central North Carolina and Northeast Mississippi*, 372-4

Bovine pleuropneumonia: cause and spread of, 94; eradication of, 93

Bowen, Marshall E., *Utah People in the Nevada Desert: Homestead and Community on a Twentieth Century Farmers' Frontier*, 382-4

Bradley, Karen J., "Agrarian Ideology and Agricultural Policy: California Grangers and the Post-World War II Farm Policy Debate," 240-56

Brannan, Charles F.: career of, 30-2; and Eighty-first Congress, relationship with, 40-4, 50; and New Deal, 244-5; and shift away from flexible support principle, 33, 35-7

Brannan plan: and Aiken plan, 247-8; and American Farm Bureau Federation, 248-50, 253; Brannan's defense of, 49-50; California Grange's response to, 251-4; and cap on assistance to farms, 247, 250; cost of, 247-8; crops subsidized by, 246, 252; and direct federal payments to farmers, 39, 40; failure of, 28, 50; goals and provisions of, 48, 245-7; and National Farmers Union, 45-6; and National Grange, 248-9, 253-4; and parity, redefinition of, 246; and small-scale farmers, 50-1, 250-4; and Woolley Plan, 33-4. *See also* Agrarian ideology, American

British tractor companies. *See* Agricultural machinery industry, British

Bull Tractor Company: and Big Bull tractor, 321-2; and Gas Tractor Com-

pany, 320; and Lion Tractor Company, 322; and Little Bull tractor, 320-1; and merger with Whitman Agricultural Company, 322; and Minneapolis Steel and Machinery Company, 320, 325; reasons for failure of, 323; and response to market demands, 315. *See also* Toro Motor Company; Tractor, gasoline-powered
Butz, Earl: and John H. Davis, 342, 345

California. *See* Almond industry, California; Orchard industry, California; Viticulture, California
California Almond Growers' Exchange: establishment of, 571
California Association of Practical Farmers: and WWI, 586-7
California Spray-Chemical: and changes in pesticide industry, 236-9; and Ellerslie Edgar Luther, 235-6; and Ortho brand basic lead arsenate, 236; and William Hunter Volck, 235-6
Campesinos: and migration to Chiapas, 409; standard of living of, 402, 411
Canada. *See* Alberta; Native Canadian cowboys; Plains cultures, Canada; Populism, twentieth-century prairie (Canada)
Cattle industry, Mexican: and beef exports to U.S. in 1880s, 409-10; and deforestation, 409; and international finance, 410
Cavalry, Confederate: and Lynchburg horse infirmary, 91; and post-Civil War distribution of horses and mules, 92; reorganization of, 85, 91; volunteer regiments in, 84-5
Cavalry, Federal (Union): and condition of horses on battlefield, 89, 91; reorganization of, 85-6; and veterinarians, 86-9; volunteer regiments in, 84-5
Chandler, Alfred: and corporate development model, 314-5
Chemical Foundation: adopts chemurgy as research and development program, 273; and power alcohol, 277-8. *See also* Chemurgic movement; Chemurgy
Chemurgic movement: and Francis P. Garvan, 273, 277, 292-3; and Henry Ford, 277, 292-3; and New Deal farm program, 273, 284-6. *See also* Gregory, Clifford V.; Hale, William J.; McMillen, Wheeler
Chemurgy: and New Uses Council, 296; successes of, 274, 296; William J. Hale coins term, 276, 292
Chiapas, Mexico: and colonization of Lacandona forest, 409
Civil War: and federal veterinary service, beginnings, 95; sale of glandered horses after, 88, 92. *See also* Cavalry, Confederate; Cavalry, Federal; United States Veterinary Medical Association
Coclanis, Peter A., "The Poetics of American Agriculture: The United States Rice Industry in International Perspective," 140-62
Commodity Credit Corporation: purpose of, 340
Conspiratorial rhetoric: and Nebraska Populism, 17; and Ohio Populism, 18-9; as a political phenomenon, 3-4, 26; as a psychological phenomenon, 3, 21; and revolutionary activity (1770s), 3; and slave power (1850s), 3, 9-10; and Texas Populism, 17-8. *See also* English conspiracy theory; *Seven Financial Conspiracies Which Have Enslaved the American People*

Cooperative associations: legal status of, 333. *See also* African American farm cooperatives; National Council of Farmer Cooperatives
Corporate agriculture. *See* Miller and Lux corporation
Cotton harvester, mechanical: and effect on cotton production, 356-7, 359; rapid adoption of, 349-50, 356-8
Cotton production, Southern Piedmont: and DDT, 359-61; effect of hybrid seed on, 360; effect of improved fertilization on, 359-61; effect of mechanical harvesting on, 356-7, 359-61; and equipment, 358; methods of, 356; and row spacing, 360; and transition from animal to mechanical power, 354-5
Cowboys. *See* Native Canadian cowboys
Cuff, Timothy: evaluated by Robert E. Gallman, 592-603

Davis, John H.: as assistant secretary of agriculture, 341-2; biography of, 326-48; coins term "agribusiness," 343-4; and Commodity Credit Corporation, 340; *A Concept of Agribusiness*, 343, 346; *A Concept of Agriculture*, 344; and Earl Butz, 342, 345; as executive secretary of National Council of Farmer Cooperatives, 331-8; and Ezra Taft Benson, 340-2; and family farms, attitude toward, 335-7; and Farm Credit Administration, 331; *Farmer in a Business Suit*, 344-5; "From Agriculture to Agribusiness," 344; and Harvard School of Business, 338-9, 342-5; and National Tax Equality Association, 334-6; and 1948 elections, 336; and Orvis V. Wells, 346; "The Present and Future Contributions of the Farmer Cooperatives in New England Agriculture," 332; and Ray Goldberg, 344-5; and Resettlement Administration, 329-30
DDT: effect of on cotton production, 359-61
